doormat to be taken away by specialists, who will deposit them properly ists, who will deposit them properly cleaned in the same place," she thinks. "Stockings will be darned by other specialists, leaving the women of the family to earn the price of two pairs in the time they would take to stop up the holes of one. "Cooking, as well as dishwashing and darning," she adds, "will be done by specialists while the lady of the house concentrates her stention upon the shop or the factory."

Ample Supplies of Munitions, one for \$30,000 and one for \$10,000. It was in 1811 when the first \$5 came with a letter saying the writer had taken that amount from the government. The maney was turned into the Trasarry, and although actually there never has been a separate conscience fund, records of all such contributions have been kept.

presented itself before the opening of stitute for Government Research in the Russian Generals Popular Russian General Russian Generals Popular Russian Generals Popular Russian General Russian Gene hostilities—and what did we do? We District of Columbia, Jerome D. Greene,

Russian Generals Popular.

Rusky, with his scientific knowledge, his mastery of language, combined with great modesty and simplicity, is the best type of the new Russian school or generals to which belong also Brussi-

iustice and without distinction of religion. He followed Yudenich's army into the conquered territory to Erzerum, Erize, Ahtena and Trebizond, giving the inhabitants, Mussulmans as well as Christians, the right to elect their town councils. For instance, with his consent a Turkish notable was elected as the Mayor of Erzerum.

The Mussulman population, which at the approach of the Russian army had field, began to return to their homes. The Grand Duke promised to the inhabitants that they would be treated with leniency and no distinction would be made between Christian and Mussulman.

This wise tolerance has gone far to This wise tolerance has gone far to the sum of the sum o

This wise tolerance has gone far to pacify the conquered Turkish provinces and to establish Russian rule.

MAUNA LOA.

Mauna Loa, the greatest active volcano in the world, is again in eruption, says an exchange. Nine years
ago this Hawaiian volcano produced
what is described as the most remarkable display of molten "fireworks" of
modern times. Then, as on the present occasion, there was little or no
loss of life. Mauna Loa's eruptions
in this respect differing notably from
the outbreaks of lesser volcanoes, such
as Vesuvius Mont Pelee.
